A History of Accomplishment, Service and Honor

THE HIGH SCHOOL

Irvington High School is located in the suburban Village of Irvington in southern Westchester County, 20 miles north of New York City on the Hudson River. The majority of its 6,500 residents are employed in management, professional and related occupations, especially in the areas of finance, science and educational services.

Irvington High School takes pride in providing students with a rigorous college preparatory program and broad athletic, fine arts and extracurricular offerings. Fostering a culture of academic strength, IHS has been recognized by U.S. News & World Report and Newsweek as one of America's best public high schools. Advanced work beyond New York State Regents guidelines is conducted by a majority of students, and numerous opportunities for students to avail themselves of challenging work are strongly encouraged as a pathway to self-enrichment and future college success. IHS sends approximately 95% of its graduates to postsecondary education.

Accredited by the Tri-State Consortium, Irvington High School offers Advanced Placement and Honors courses. A college-level course in science research, sponsored by University at Albany, is a signature program. Students can also earn college credit from the Rochester Institute of Technology through the Project Lead the Way program, and through a collaboration with Syracuse University that provides college-level course credit (SUPA) for juniors and seniors.

PROGRAMS AND OPPORTUNITIES FOR DISTINCTION

Our relatively small student body of approximately 550 (grades 9-12) affords individual students a broad range of opportunities to participate, resulting in vast and diverse ways that they distinguish themselves, including:

- Peer Leadership – A full-year, highly selective course for senior students who display strong character, integrity and leadership qualities. Peer Leaders attend class sessions to acquire leadership skills and lead small-group lessons for freshmen. The program supports all freshmen in transitioning successfully to high school.
- Character Building Facilitator program – Selected juniors and seniors are trained as Character Building Facilitators and work with middle school classes in fostering the District's Character Framework.
- Voluntary Community Service program – ½ credit for 60 hours, 1 credit for 120 hours.
- 21 Advanced Placement courses.
- College-accredited, 3-year science research program.
- 9 dual enrollment/college-level classes: SUPA, SUNY and PLTW.
- 5-year sequential programs in Spanish and French, a 4-year sequential program in Latin and a 3-year sequential program in Ancient Greek.
- 4-year engineering/architecture program.
- Model UN Team.
- Academic Challenge Team.
- FIRST Robotics Team.
- People of Color and Allied Student Union.
- Comprehensive music program, including concert band, marching band, orchestra, chorus, wind ensemble, jazz ensemble, string ensemble, pit orchestra and chorale.
- Drama and musical theater programs.
- Online school newspaper.
- Literary magazine.
- Broad-based athletics program.
