BIDDING PROCEDURE AND REQUIREMENTS

1. The date and time of bid opening will be given in the Notice to Bidders.
2. Bidders shall be responsible for visiting the respective sites to fully familiarize themselves with the scope of work required under this contract.
3. All bids must be submitted on and in accordance with forms provided by the Board and included in this document. The proposal sheets are not to be removed from the document.
4. Where so indicated by the makeup of the Bid Form, sums shall be expressed in both words and figures, and in case of discrepancy between the two, the written amount will govern.
5. A Bidder shall not make any stipulations on the Bid Form or qualify its Bid in any manner. No Bid will be considered which purports to qualify, limit, amend or omit any requirement of the Bidding Documents.
6. A Bid shall include the legal name of Bidder and a statement whether the Bidder is a sole proprietor, a partnership, a corporation, or any other legal entity, and shall be signed by the person or persons legally authorized to bind the Bidder to a Contract. All required signatures shall be handwritten in ink with the full name of the person executing same. Initials, stamps, photocopies or other copies, or company names may not be used in lieu of any required signature. A Bid by a corporation shall also give the State of Incorporation and have the corporate seal affixed on the signature pages of each Form of Proposal. A Bid submitted by an agent shall have a current Power of Attorney attached certifying the agent's authority to bind the Bidder.
7. Bidders will provide, along with the completed Bid package, evidence demonstrating an ability to provide the requested services, including, if applicable, a list of any and all school districts of a similar size which they have served during the past five (5) years and a summary of their experience over at least five (5) years of successful completion of the services required herein in compliance with the applicable laws, rules and regulations of the State of New York.
8. Bidder must include a reference list, setting out the names of all school districts served by it with comparable services, and shall further set out the name and telephone number of each business official or other school district liaison/individual with respect to this item.
9. Proof of proper licensure and certification of each employee furnishing services pursuant to this contract shall be furnished to the School District upon award of bid.
10. All information required in the Notice to Bidders, Specifications and Bid Offer, in connection with each item against which a bid is submitted, must be provided to constitute a regular bid.
11. No alteration, erasure, or addition is to be made to the typewritten or printed matter. Any deviations from the conditions and specifications will constitute sufficient grounds for rejection of bid.

12. Prices and information required, except signature of bidder, should be typewritten for legibility. Illegible or vague bids may be rejected. All signatures must be written. Facsimile, printed, or typewritten signatures are not acceptable.
13. No charge will be allowed for federal, state, or municipal sales and excise taxes since the School District is exempt from such tax. Exemption certificates, if required, will be furnished on forms provided by the bidder.
14. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the School District. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having his/her bid deposited on time at the place specified. **HOWEVER, THE BOARD OF EDUCATION RESERVES THE RIGHT TO WAIVE WHAT IT DEEMS TO BE BIDDING OR SPECIFICATION INFORMALITIES RELATING TO A SPECIFIC BID, TO REJECT ANY AND ALL BIDS, TO RE-ADVERTISE AND INVITE NEW BIDS, OR TO ACCEPT THE WHOLE OR A PART OF A BID, OR TO ACCEPT PARTS OF BIDS FROM MORE THAN ONE BIDDER AS IN THE BOARD'S JUDGMENT, IS IN THE BEST INTEREST OF THE SCHOOL DISTRICT.**
15. The submission of a bid will be construed to mean that the bidder is fully informed as to the extent and character of the services, supplies, materials, or equipment required and a representation that the bidder can furnish the services, supplies, materials or equipment satisfactorily in complete compliance with specifications.
16. All bids must be sealed. All bids must be addressed to the Board of Education, Irvington School District. Bid envelopes must be clearly with the Bid # and Description. Also, the date and time of the bid opening as indicated on the Notice to Bidders must appear on the envelope. Telephone quotations or amendments will not be accepted at any time. All materials submitted with the Bids will become the property of the School District and will not be returned.
17. **This contract will be awarded for the period July 1, 2025 through June 30, 2026.**
18. Bidders shall submit its bid on the provided Bid Form. Bidder's proposal shall include all costs associated with the work to be performed. Such costs shall include the necessary labor, equipment, materials, transportation and utensils to complete the work as required by the School District.
19. The successful bidder shall be responsible for complying with all laws, rules, regulations, codes and/or ordinances as they apply to this contract.
20. Bidders must comply with the prevailing wage rates that are applicable to this contract. All wages and supplements paid to laborers on this contract shall be in accordance with the New York State Department of Labor Prevailing Wage Schedule, specifically "General Construction Rates" for Westchester County. Prevailing Wage Rates are subject to change annually on July 1st. Awarded vendor is responsible to meet the wages as posted by NYSDOL July 1st every year.
21. Labor payments shall be only for time on the job site. Travel time shall not be included in the proposal cost.

22. The Irvington School District shall have the unilateral option of extending or renewing this contract for two (2) consecutive additional periods of twelve (12) months, each upon the same terms & conditions as are contained in this contract. The District each year will consider, upon request, an inflationary increase not to exceed the Consumer Price Index for December from the New York, Northeastern New Jersey area based upon index for all urban consumers (C.P.1-U). Said options shall be deemed to have been exercised upon formal written notification thirty (30) calendar days prior to the expiration of the contract provided that the Purchasing Agent shall have given preliminary notice of the Irvington School District's intention to renew at least sixty (60) calendar days before this contract is to expire. (Such a preliminary notice will not be deemed to commit the Irvington School District to exercise the option.) If the Irvington School District exercises the option for the first additional twelve (12) month period, the contract as renewed shall be deemed to include the option provision for the second additional twelve (12) month period. However, the total duration of this contract, including any option(s) under this clause, shall not exceed thirty-six (36) months.
23. Each bid will be received with the understanding that its acceptance, in writing, by the School District, approved by the Board of Education, to furnish any or all of the items described shall constitute a Contract between the successful bidder and the School District. The Contract shall bind the successful bidder to furnish the labor and material required at the prices and in accordance with the conditions of its bid.
24. The placing in the mail of a notice of award to a successful bidder, to the address given in the bid, will be considered sufficient notice of acceptance of Contract.
25. It is mutually understood and agreed that the successful bidder shall not assign, transfer, convey, sublet, or otherwise dispose of the Contract or its right, title, or interest herein, or its power to execute such Contract, or any part thereof to any person, company or corporation, without the previous written consent of the School District.
26. The General Conditions, Specifications, Notice to Bidder, and Addenda shall form a part of this Contract and the provisions thereof shall be binding upon the parties hereto. The term "Contract Documents" shall include all of the aforesaid together with the Contract itself.
27. Each and every provision of law and clause required by law to be inserted herein and the Contract shall be deemed to be inserted herein and the Contract shall be read and enforced as though it were included herein, and if through a mistake or otherwise, any such provision is not inserted or is not correctly inserted, then upon the application of either party, the Contract shall forthwith be physically amended to make such insertion.
28. It is understood that the Contract in no way excludes the School District from using its own forces, or services provided by other school districts or BOCES, or in any way limits the School District from using other contractors in performing similar or other services.
29. Bid results will be available only after awarded by Board of Education.
- 30. IRAN DIVESTMENT ACT**
By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that it is not

on the “Entities Determined To Be Non-Responsive Bidders/Offerers Pursuant to The New York State Iran Divestment Act of 2013” list (“Prohibited Entities List”) posted on the OGS website at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> and further certifies that it will not utilize on such Contract any subcontractor that is identified on the Prohibited Entities List. Additionally, Bidder/Contractor is advised that should it seek to renew or extend a Contract awarded in response to the solicitation, it must provide the same certification at the time the Contract is renewed or extended. A Certification of Compliance form must be included with the Bid submission.

During the term of the Contract, should Irvington School District receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the School District will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, the School District shall take such action as may be appropriate and provided for by law or contract, including, but not limited to, seeking compliance, recovering damages, or declaring the Contractor in default.

Irvington School District reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

Qualifications of Bidders

The work and services described in these bid documents include the performance of activities directly affecting the health and safety of the students and staff of the School District and the public generally. The School District may make any investigation necessary to determine the ability of the Bidder to fulfill the Contract(s), and the Bidder shall furnish the School District with all such information for this purpose as the School District may request. If, in the opinion of the School District, the Bidder is not properly qualified or responsible to perform any obligations of the Contract bid upon, the School District reserves the right to reject its bid.

The following minimum requirements must be met to qualify for bidding:

- a) Bidder must possess and demonstrate facilities, knowledge and capabilities to satisfy all requirements of this contract.
- b) Bidders shall be knowledgeable and qualified to provide a wide range of service and/or repairs to the School District's equipment and/or facilities. Proof of said qualifications and specific training shall be furnished to the School District together with the bid. Employees who possess specialized training, skill or experience with the equipment on site shall be clearly noted with the bid.
- c) Each bidder must demonstrate that it is a responsible service and maintenance organization possessing adequate financial resources to accomplish the various services as described herein and that it has a satisfactory record of performance and integrity.
- d) Bidders shall be able to demonstrate at least (5) five years of continuous commercial service or maintenance work. References shall be provided as set forth herein. The School District reserves the right to request additional documentation or information from the bidders as a means of determining qualifications and/or responsibility.
- e) Bidder must include a reference list, setting out the names of all school districts served by it with comparable services, and shall further set out the name and telephone number of each business official or other school district liaison/ individual with respect to this item.
- f) Bidder must submit a list of names and addresses of any person or entity owning 10% or more of the company. Should any person or entity listed have ownership of another company, such information shall be disclosed. If bidder is a publicly traded corporation, the latest annual report listing all officers shall be provided.
- g) Bidder must be financially responsible, as demonstrated by:
 - a. A lack of pending lawsuits or substantive outstanding judgments or liens, including Federal or State tax liens.
 - b. No denials of performance bonds within the last seven years.
 - c. A satisfactory credit history as evidenced by a review that may be made by the School District.
 - d. Work performance on other projects.
 - e. Such other information as the Board of Education, in its sole discretion, determines is relevant to the responsibility of the bidder.
- h) Upon investigation of any references and information submitted by the bidder, the Board of Education reserves the right to reject any bid where it is found that the bidder's qualifications are not consistent with the information presented.
- i) Contractor must have a safety program that is compliant with OSHA Regulations and Standards. The contractor shall make available for inspection their program and training documents.

INTERPRETATION OF BIDDING DOCUMENTS

No interpretation of the meaning of the specifications or other Contract document will be made to any bidder orally. Every request for such interpretation should be made in writing, addressed to **Carol Stein, Purchasing Agent**, Irvington School District, 40 N. Broadway, Irvington, New York 10533, not later than five (5) days prior to the date fixed for the opening of bids. Notice of any and all interpretations and any supplemental instructions will be sent to all bidders of record by the School District or its designee in the form of addenda to the specifications. All addenda so issued shall be sent by certified mail, return receipt requested, or by fax with receipt acknowledged, and shall become a part of the Contract documents. Failure of any bidder to receive any such addendum or interpretation shall not relieve any bidder from any obligations under his/her bid submitted.

CONTRACT AWARD

The School District will endeavor to make an award within forty-five (45) days of the date of the bid opening and all bids shall remain firm during that time frame. The School District further reserves the right to make an award following this period to any bidder who has not provided written notice to the School District that its bid has been withdrawn.

Award will be made to the lowest responsible bidder, as will best promote the public interest, taking into consideration the reliability of the bidder, the quality of the labor, materials, equipment, or supplies to be furnished, their conformity with the specifications, the purposes for which required, and the terms of delivery.

METHOD OF AWARD

The contract if awarded will be to the lowest responsive/responsible bidder(s) in part or in whole who meet(s) all the terms of the specifications. The Irvington School District guarantees no minimum or maximum purchases or contracts as a result of award of this bid. Irvington School District reserves the right to allow all municipal and not for profit organizations authorized under the General Municipal Laws of the State of New York, to purchase any goods and/or services awarded by the Irvington School District Board of Education as a result of this bid in accordance with the latest amendments to NYS GML 100 through 104. However, it is understood that the extension of such contracts are at the sole discretion of the vendor and the vendor is only bound to any contract between the Irvington School District and the vendor. Vendor may not look to Irvington School District for payment in the event another municipality or authorized entity piggybacks on an Irvington School District awarded bid and orders equipment, materials or supplies, but fails to pay for them. Additionally, the Irvington School District reserves the right to purchase any goods or services included as a part of this bid from any means legally available to it at any time.

The School District reserves the right to reject all bids; to reject any bid in whole or in part; to waive technical defects, qualifications, irregularities, and omissions if in its judgment the best interests of the School District will be served; and to reject bids and to purchase items on State or County contract as permitted by law if such items can be obtained on the same terms, conditions, specifications, and at a lower price.

If two or more Bidders submit identical bids as to price, the decision of the Board to award a Contract to one such Bidder shall be final.

No cash discount may be offered or quoted by any Bidder.

GENERAL SPECIFICATIONS

1. To provide skilled, experienced, prompt service to a wide variety of projects on an “on-call” basis and/or as required to complete the work described herein.
2. Work shall include troubleshooting, repair, replacement, installation, new work and general maintenance of equipment and/or facilities as the case may be.
3. The successful bidder must be equipped to provide emergency work within (2) two hours of the School District’s call for service and to commence non-emergency/new work within twenty-four (24) hours of the School District’s call for service or an agreed upon timeframe with the District, unless Technical Specification states otherwise.
4. In the event that the work cannot be performed as per time schedule by the successful bidder, the School District will seek consent of the Board of Education, in advance, to call upon the second lowest bidder to perform at his quoted price with no penalty to the lowest bidder.
5. The successful bidder shall comply with all rules and regulations of the School District and all directives issued by the School District.
6. Smoking will not be permitted anywhere on School grounds.
7. The successful bidder shall not have any contact or communication with any student or teacher.
8. Photo identification badges must be worn at all times that the successful bidder, its agents or employees are on-site rendering services or performing work.
9. Non-interference with Occupation of the Buildings and Premises:
 - (a) The Contractor must take into consideration the fact that the sessions of the school must be continued as usual during the progress of the work. The operation of the fire alarm, telegraph, the interior fire alarm system, gongs, bells and telephones must not be interfered with.
 - (b) Fixtures or essential parts of material or equipment shall not be removed until permission is given by the Director of Facilities and, in the case of replacements, not until the essential material or fixture therefore shall have been delivered at the building.
 - (c) The safety of the pupils and teachers requires that nothing shall be done to in any way block the streets in or about the exits, or the exits themselves. Neither shall there be any unauthorized interference with the free and unobstructed use of the hallways, stairways, toilets and rooms. When necessary for mechanics to work in any portion of the premises normally occupied by the school, application must be made, before entering therein, to the Director of Facilities who will perfect a working agreement with the principal of the school so that the work may be carried forward in a manner to interfere as little as possible with the school session.

- (d) Whenever work is carried on during school sessions, not more than one stairway shall be closed off from free and safe use of the pupils at any time, and this only after the written permission of the Director of Facilities has been obtained. No part of the building or premises shall be closed to the use of the occupants without the permission of the Director of Facilities. When such permission has been given, the Contractor shall provide and erect temporary partitions, barriers, etc., wherever required to insure absolute safety of the occupants of the building or premises.

10. Under this contract, sub-contracting shall not be permitted without prior written approval by the School District.

11. Bidder and its employees shall have tools and equipment necessary to perform the required work.

12. All labor shall be performed by skilled workmen and the Contractor shall not employ workers or means which may cause stoppage or delay in the work under this Contract or that of any other contractor or any work in or about the premises of these buildings or any buildings or premises under the control of the Board of Education.

Each time a serviceman performs any work in the District he shall report his arrival and departure and what service he is performing to the custodian in charge.

The contractor shall submit to the Facilities Department a full report of the service call which shall include:

- a. Date and time;
- b. Name of person performing work;
- c. On-job service time.

13. When repairing and replacing any systems or parts for the equipment in place at the School District's facilities or when undertaking any new installation, the successful bidder shall use the most current materials manufactured. Obsolete or out of date materials shall not be allowed under any circumstances.

14. Necessary parts and materials shall be included in costs as stated in the Bid Form. If requested by the School District, the successful bidder will attach to each of its invoices a receipt and/or purchase order for the materials/parts purchased by the successful bidder. All parts shall be new and shall be equal to or better than the original equipment/material. Rebuilt parts may be used only with prior written approval of the School District. Any merchandise provided under the contract which is or becomes defective during the guarantee period shall be replaced by the successful bidder free of charge with the specific understanding that all replacements shall carry the same guarantee as the original equipment. The successful bidder shall make any such replacement immediately upon receiving notice from the School District.

15. The School District reserves the right to furnish parts and materials if it deems it to be in its best interest.

16. The successful bidder shall maintain an adequate inventory of new, original manufacturer's parts and materials so as to ensure prompt repairs or installations on

short notice. The successful bidder shall furnish the source and amount of such inventory.

17. Delivery must be made in accordance with the proposal and specifications. The decision of the School District as to reasonable compliance with delivery terms shall be final.
18. The School District will not accept any deliveries on Saturdays, Sundays, or legal holidays, except commodities required for daily consumption or where the delivery is for an emergency repair or installation.
19. Items shall be securely and properly packed for shipment, storage, and stocking in shipping containers according to accepted commercial practice, without extra charge for packing cases, baling, or sacks.
20. The successful bidder shall be responsible for delivery of items in good condition at the point of destination. The successful bidder shall file with the carrier all claims for breakage, imperfections, and other losses, which will be deducted from invoices. The School District will note for the benefit of successful bidder when packages are not received in good conditions.
21. Unless otherwise stated in the specifications, all items must be delivered into and placed at a point within the building as directed by the shipping instructions or the agent for the School District.
22. Unloading and placing of the equipment inside the building is the responsibility of the successful bidder, and the School District accepts no responsibility for unloading and placing of equipment. Any costs incurred due to the failure of the successful bidder to comply with this requirement will be charged to it. No help for unloading will be provided by the School District, and suppliers should notify their truckers accordingly.
23. The successful bidder shall not unreasonably encumber the site with materials or equipment during the performance of its work. Only materials and equipment which are to be used directly in the performance of the successful bidder's work shall be brought to and/or stored on the premises of the School District. After equipment is no longer required for its work, the successful bidder shall promptly remove such equipment from the premises of the School District. The successful bidder shall be solely responsible for the protection of materials and equipment stored on the premises from weather, theft, damage and all other adversity. The successful bidder shall at all times provide the proper housekeeping to minimize potential fire hazards, and shall provide approved spark arresters on all steam engines, internal combustion engines and flues. The successful bidder shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by the performance of all of the Work being performed on-site and in the buildings. At the conclusion of the work, the successful bidder shall restore the premises to its original condition. This restoration shall include but not be limited to: cleaning the areas in which work was performed; removal of all waste, materials, rubbish, tools, equipment, machinery and surplus materials. If clean-up is not performed in accordance herewith, the School District may engage the services of a cleaning company each time the requirement is not met without further notification

to the successful bidder. The cost of such cleaning company, together with the cost of any custodial costs of the School District, will be charged to the successful bidder.

24. All deliveries shall be accompanied by delivery tickets or packing slips. Ticket shall contain the following information for each item delivered:
 - Purchase Order Number
 - Name of Article
 - Quantity
 - Name of Successful Bidder
25. Cartons shall be labeled with purchase order number, successful bidder's name and general statement of contents. Failure to comply with these conditions shall be considered sufficient reason for refusal to accept the goods.
26. No travel time will be paid. Payments will be made only for time on the job. All invoices must be accomplished by submission of detailed daily service tickets specifying time of arrival and departure and services rendered. The ticket shall be signed by an authorized representative of the School District. A copy of this ticket will be left with the signer. This service ticket shall be the basis for payment.
27. Invoices must be submitted within 30 days of service. Payment will be made only after correct presentation of claim forms and/or invoices with required supporting Documentation. They should include:
 - Invoice must reference purchase order # and School District work order #
 - Breakdown of labor, unit and material costs, as awarded. **All vendors are requested to pro-rate the awarded labor rates for purposes of billing ¼ and ½ hour increments where needed. The hours of the authorized work ticket must match those invoiced.**
 - Copy of vendor generated service ticket signed by School District employee
 - Certified payroll
 - Supporting documentation for parts, etc.
28. Payments of any claim shall not preclude the School District from making a claim for adjustment on any item found not to have been in accordance with the specifications.
29. No vehicle use will be paid in the normal course of transporting mechanics and materials to the job site. Bidders may submit a quotation for use of special vehicles. Successful bidders must obtain prior written approval from the School District for payment of special vehicle use.
30. The successful bidder shall pay its employees "prevailing rate of wage" as defined in Section 220 of the New York Labor Law, Schedule of Wage Rates. Prevailing wage rates are subject to change annually on July 1st. Awarded vendor is responsible to meet the wages as posted by NYSDOL July 1st year.

31. The successful bidder is to comply with all Federal, State and Local regulations relating to certification and licensure, labor, such as minimum hour wage, working conditions, insurance and safety factors in cases where installation of equipment is involved.
32. In accordance with Section 220-e of the Labor Law of the State of New York, it is agreed that:
- a. In the hiring of employees for the performance of this contract or any subcontractor hereunder, no contractor, subcontractor, nor any person acting on behalf of such contractor or sub-contractor shall by reason of race, creed, color or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates. No contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this contract on account of race, color, creed or national origin.
 - b. There may be deducted from the amount payable to the successful bidder a penalty of one hundred dollars for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of the Contract.
 - c. This Contract may be cancelled or terminated by the Board of Education and all monies due or to become due hereunder may be forfeited for a second or any subsequent violation of the terms or conditions of this section of the Contract.
 - d. The aforesaid provisions of this section shall be limited to operations performed within the territorial limits of the State of New York.
33. The successful bidder shall comply with all of the provisions of the Immigration Reform and Control Act of 1986 and regulations promulgated pursuant thereto and shall require its subcontractors to comply with same. The successful bidder shall and does hereby agree to fully indemnify, protect, defend, and hold harmless the School District, its agents and employees from and against any penalties, fees, costs, liabilities, suits, claims, or expenses of any kind or nature, including reasonable attorney's fees, arising out of or resulting from any violation or alleged violation of the provisions of said laws in connection with the work performed hereunder.
34. The successful bidder shall be licensed by the County of Westchester and local municipalities, where required.
35. All work must be performed and installed in accordance with the current edition of all applicable laws, rules, regulations and/or local codes.
36. The School District reserves the right to assign its personnel to assist the successful bidder's mechanics if the School District deems such assistance to be in its best interest.
37. The successful bidder shall purchase and maintain insurance which may arise from operations under the contract. Said policies shall be purchased in the amounts set forth in Appendix "A" to protect the Board against claims arising from or related to the operations of the successful bidder and its subcontractors.

The successful bidder shall pay all deductibles of Board's insurance for claims as a result of the negligence of the successful bidder.

Coverages, whether written on an occurrence or claims-made basis, shall be maintained without interruption from the date of commencement of the Work until the date of final payment and termination of any coverage required to be maintained after final payment.

The successful bidder shall require all subcontractors to carry similar insurance coverages and limits of liability as set forth above and adjusted to the nature of subcontractors' operations and submit same to the Board for approval prior to start of any work. In the event successful bidder fails to obtain the required certificates of insurance from the subcontractor and a claim is made or suffered, the successful bidder shall indemnify, defend, and hold harmless the Board, its agents or employees from any and all claims for which the required insurance would have provided coverage. This indemnity obligation is in addition to any other indemnity obligation provided in the Contract.

38. Enclosed with the bid submission, the Bidder must include a letter from an insurance agent, broker, or carrier stating that no less than the minimum limits of insurance required in the Bid Request will be met. The name of the insurance company that will provide the mandated insurance will be stipulated. The insurance carrier must be licensed to do business in New York State.
39. All insurance certificates shall state that the policy will not be canceled nor coverage thereunder be reduced or limited without thirty (30) days prior written notice to the School District. It shall further state that a similar thirty (30) days prior written notice will be given to the School District prior to the expiration of the policy if renewal coverage is to be refused or such coverage is to be reduced on renewal. Such certificates shall show the name and address of the insured successful bidder, the policy number, the type of coverage, the inception and expiration dates, and it shall clearly state what, if any, coverages are excluded by endorsement or otherwise excepting such as appear in the standard printed policy itself. The School District reserves the right to make direct inquiry to the insurance carrier for an explanation of coverages and the successful bidder agrees to assist in obtaining any such desired information.
40. The successful bidder shall hold harmless, defend and indemnify the School District from all claims for damages to property and bodily injury, including death, which may arise from operations under the Contract(s), including but not limited to claims brought against the School District by third parties, employees of the School District, or employees of the successful bidder.
41. The successful bidder may, at the discretion of the District, be required to furnish labor and material bonds equal to 100% of the Contract to guarantee the faithful performance of such Contract. Such bonds shall be maintained in full force and effect until at least two (2) years after the Contract has been fully performed. The successful bidder shall furnish a labor and material payment bond meeting all statutory requirements of the State of New York. All Surety companies are subject to the approval of the School District and may be rejected by the School District without cause. Except as otherwise required by statute, the form and substance of such bonds shall be satisfactory to the School

District in the School District's sole judgment. The bonds shall be executed by a responsible surety licensed to do business in New York with an A.M. Best Rating of "A-" or better as to Policy Holder Ratings, and "IX" or better as to "Financial Size Category." The bonds shall further be executed by a surety that is currently listed on the U.S. Treasury Department Circular 570 entitled "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies," as amended. The performance bond and the labor and material payment bond shall each be in an amount equal to 100% of the Contract Sum. Every Bond must display the Surety's Bond Number and be accompanied by an original Power of Attorney, giving the names of Attorneys-in-fact, and the extent of their bonding capacity.

A rider including the following provisions shall be attached to each Bond: (1) Surety hereby agrees that it consents to and waives notice of any addition, alteration, omission, change, or other modification of the Contract Documents. Such addition, alteration, change, extension of time, or other modification of the Contract Documents, or a forbearance on the part of either the School District or the Contractor to the other, shall not release the Surety of its obligations hereunder and notice to the Surety of such matters is hereby waived; (2) Surety further agrees that in event of any default by the School District in the performance of the School District's obligations to the Contractor under the Contract, the Contractor or Surety shall cause written notice of such default (specifying said default in detail) to be given to the School District, and the School District shall have thirty (30) days from time after receipt of such notice within which to cure such default, or such additional reasonable period of time as may be required if the nature of such default is such that it cannot be cured within thirty (30) days. Such Notice of Default shall be sent by certified or registered U.S. Mail, return receipt requested, first class postage prepaid, to Lender and the School District. The successful bidder shall deliver the required bonds to the Owner prior to beginning work at the site, but no later than seven (7) days after execution of the Contract. Said bonds shall be in the form of AIA Form A312 1984 3rd edition, pages 1 through 6.

42. The School District may, in the School District's sole discretion and without prior notice to the successful bidder, inform the surety of the progress of the successful bidder's work and obtain consents as necessary to protect the School District's rights, interest, privileges and benefits under and pursuant to any bond issued in connection with the successful bidder's work.
43. If the surety on any Bond furnished by the successful bidder is declared a bankrupt or becomes insolvent or its right to do business is terminated in New York or it ceases to meet the requirements of paragraph 39, the successful bidder shall within ten (10) days thereafter substitute another Performance and Payment Bond and surety, both of which must be acceptable to the School District.
44. The bonds, if requested, shall be furnished to the School District within thirty (30) days of the bid award. Failure to meet this requirement may result in termination of the Contract at the sole discretion of the School District.
45. The successful bidder shall not be held responsible for any losses resulting if the fulfillment of the terms of the Contract shall be delayed or prevented by wars, acts of

public enemies, fires, floods, acts of God, or for any other acts not within the control of the successful bidder, except for strikes or labor unrest, and which by exercise of reasonable diligence it is unable to prevent.

46. All labor shall be guaranteed for the period of one (1) year from the date of acceptance. Unless provided otherwise in the specifications, all parts offered on this bid shall be guaranteed for a minimum of one (1) year from date of delivery (or installation if required) against defective material or workmanship, and repair or replacement shall be made without delay. In cases where the usual guarantee period offered by the successful bidder and/or manufacturer on a particular item covers a longer period of time than one (1) year, the longer guarantee period shall be applicable.
47. Upon request, contractor shall submit an estimate before starting work, which the district will rely upon to issue a purchase order to the contractor. Any changes to the estimate during the performance of the work must be agreed to by the Director of Facilities or his designee and submitted with an estimate revision.
48. This contract may be terminated by the School District upon not less than seven (7) days written notice should the successful bidder fail substantially to perform in accordance with the terms of this contract through no fault of the party initiating the termination. Said failures shall include but not be limited to: failure to supply sufficient skilled workers or suitable materials or equipment to complete the Work in a diligent, efficient, timely, workmanlike, skillful, and careful manner; failure to deliver within the time specified, or within a reasonable time as interpreted by the School District, or failure to make replacement of rejected articles, when so requested, immediately or as directed by the School District; in this event, the School District may purchase from other sources to take the place of the item rejected or not delivered at the expense of the successful bidder; refusal or failure to correct deficient work performed by it; failure to make prompt payments to subcontractors for labor, materials, and/or equipment in accordance with the respective agreements between the contractor and the subcontractors; disregard of laws, ordinances, rules, regulations, or orders of a public authority having jurisdiction; disregard of the instructions of the School District (when such instructions are based on the requirements of the Contract Documents); bankruptcy or insolvency, or general assignment for the benefit of successful bidder's creditors, or where a trustee or receiver is appointed for Contractor or for any of its property, or filing of a petition to take advantage of any debtor's act or to reorganize under bankruptcy or similar laws; breaches any warranty made by the successful bidder under or pursuant to the Contract Documents; failure to furnish the School District with assurances satisfactory to the Owner evidencing the successful bidder's ability to complete the work in compliance with all the requirements of the Contract Documents; or failure after commencement of the work to proceed continuously with the construction and completion of the work for more than ten (10) days, except as permitted under the Contract Documents; failure to keep the Project free from strikes, work stoppages, slowdowns, lockouts or other disruptive activity; or otherwise does not fully comply with the Contract Documents; violation of the provisions of Labor Law section 220-e as applied to this contract and set forth herein.
49. The successful bidder shall have three (3) days from notice of its breach to cure said breach. Upon failure to cure, the School District shall have the right to take over the work

and complete the work at the expense of the successful bidder. In the event this contract is terminated, the successful bidder shall be compensated for work performed to the date of such termination in accordance with this contract.

50. The District may at any time, at will and without cause, terminate any part of the Contractor's work or all of the Contractor's remaining work for any reason whatsoever by giving three (3) days' written notice to Contractor, specifying the portion of the Contractor's work to be terminated and the effective date of termination.

Upon receipt of a notice of termination for convenience, the Contractor shall immediately, in accordance with instruction from the District, proceed with performance of the following duties regardless of delay in determining or adjusting amounts due under this paragraph:

- a. cease operation as specified in the notice;
- b. place no further orders and enter into no further subcontracts for materials, labor, services or facilities except as necessary to complete continued portions of the Contract;
- c. terminate all subcontracts and orders to the extent they relate to the Work terminated;
- d. proceed to complete the performance of the remaining work on its contract which has not been so terminated; and
- e. take actions that may be necessary, or that the District may direct, for the protection and preservation of the terminated Work.

APPENDIX "A"

INSURANCE

- I. Notwithstanding any terms, conditions or provisions, in any other writing between the parties, the successful bidder hereby agrees to effectuate the naming of the School District as an additional insured on the successful bidder's insurance policies, with the exception of workers' compensation and errors and omissions insurance.
- II. The policy naming the Irvington Union Free School District as an additional insured shall:
 - Be an insurance policy from an A.M. Best rated "secured" or better, New York State licensed insurer;
 - Provide for 30 days' notice of cancellation;
 - The School District shall be listed as an additional insured by using endorsement CG 2010 11 85 or broader. **The certificate must state that this endorsement is being used. A copy of the endorsement(s) MUST BE attached to the C.O.I..**
 - The certificate of insurance must describe the specific services provided by the contractor (e.g., roofing, carpentry, plumbing) that are covered by the commercial general liability policy and the umbrella policy.
 - At the District's request, the contractor shall provide a copy of the declaration page of the liability and umbrella policies with a list of endorsements and forms. The contractor will provide a copy of the policy endorsements and forms.
 - If any or all components of this contract have been approved and assigned to a **Subcontractor**, the **Prime contractor** is responsible to the District to have the subcontractor provide the same insurance requirements as stipulated within this section, providing a CIO, naming the Irvington Union Free School District as an additional insured for the scope of the work assigned. All terms and conditions in Appendix "A", Insurance apply.
 - State that the organization's coverage shall be primary coverage for the School District, its Board, employees and volunteers. -
- III. The successful bidder agrees to indemnify the Irvington Union Free School District for any applicable deductibles.
- IV. Required Insurance:
 - **Commercial General Liability Insurance**
\$1,000,000 per occurrence/\$2,000,000 aggregate.
 - **Automobile Liability**
\$1,000,000 combined single limit for owned, hired and borrowed and non-owned motor vehicles.
 - **Workers' Compensation**
Statutory Workers' Compensation and Employers' Liability Insurance for all employees.
 - **Errors and Omissions Liability Insurance**
\$1,000,000 per occurrence/\$2,000,000 aggregate for the professional acts of the successful bidder performed under the contract for the School District. If written on a "claims-made" basis, the retroactive date must pre-date the inception of the contract or agreement. If the successful bidder is providing environmental services, the errors & omissions policy must be endorsed to include coverage for these services.

- V. The successful bidder acknowledges that failure to obtain such insurance on behalf of the School District constitutes a material breach of contract and subjects it to liability for damages, indemnification and all other legal remedies available to the School District. The successful bidder is to provide the School District with a certificate of insurance, evidencing the above requirements have been met, prior to the commencement of work or use of facilities.
- VI. The School District is a member/owner of the New York Schools Insurance Reciprocal (NYSIR). The Construction Manager further acknowledges that the procurement of such insurance as required herein is intended to benefit not only the School District but also NYSIR, as the School District's insurer.

TECHNICAL SPECIFICATIONS

ELECTRICAL SCOPE OF WORK:

The successful bidder will be expected to perform various maintenance tasks consistent with his trade. The equipment included under this contract is equipment normally associated with buildings and facilities of this type. This equipment includes:

Electrical Distribution Equipment

Including main distribution panels, sub-panels, wiring, switches and other appurtenances associated with the buildings electrical system. The contractor will NOT be responsible for any telephone or radio communication equipment but will maintain the electrical distribution equipment up to the point of connection to this equipment.

Lighting

Interior and exterior fixtures attached to or located on owned buildings and properties. Emergency lighting packs and exit lighting are included. Street and parking area lighting may be included at the discretion of the School District.

Renovations

The contractor will be required to install new electrical equipment at the school owned properties previously listed. This work will generally be limited to the installation of new circuits to existing distribution panels but may also include more extensive work such as upgrading of existing building services from the utility. All work is to be performed in conformity with the National Electric 2000 Edition and shall be inspected by and filed with the New York Board of Fire Underwriters unless directed otherwise.

General Maintenance

The contractor will be expected to perform routine maintenance including the cleaning and re-lamping of existing fixtures, cleaning and tightening of connections and contacts, testing of outlets and switches, replacement of fuses and circuit breakers, as well as routine maintenance of tasks normally associated with the maintenance of a building or structure as directed.

The contractor will be expected to provide a bucket truck and operator (Minimum 42' operating height). This may be to perform electric or non-electric work.
