## Irvington Union Free School District Monthly Financial Highlights

#### November 2024

#### Cash Balance

- Our November overall cash position was \$33.94 million, which is a healthy cash flow for this time of year. This amount was approximately the 1.77 million higher when compared November 2023.
- Cash received in the Real Property & Other Taxes category included 3<sup>rd</sup> quarter 2024 sales tax totaling \$262,850 from Westchester County and a tax payment from the Town of Greenburgh for tax collection during the month of October in the amount of \$1,596,200
- State and Federal Aid Cash Receipts included the final BOCES aid 23-24 payment of \$542,231, \$32,151 for VLT Lottery aid, School Lunch payments of \$13,560, and 23-24 IDEA Grant Closeouts totaling \$130,600.

#### Revenue:

- General Fund Revenue through November was \$71,092,996 or 93.0% of the budgeted revenue.
- The Use of Money and & Property mostly includes interest earnings from all District general fund bank accounts. Overall, interest rates are down year over year. The District earned \$89,672 in interest earnings on November. This is lower than the \$122,442 earning in October. This is because we moved approximately \$13 million of the General Funds Reserve to a US Treasury. The treasury allows us to lock in a rate for a certain amount of time. As we anticipate rates to decrease over the next few months, we worked with NYLAF and reviewed various projections and breakeven analyses. Ultimately, we locked in a rate of 4.27% for 6 months to try to ensure we would receive the most interest revenue in this environment. We project interest rates to be at or below that rate starting around January 2025. Revenue from treasuries will be booked upon maturation of the treasury in May 2025.

### Expenditures:

- Actual General Fund Expenses totaled approximately \$7.05 million for November. This brings the total year to date expenditures to \$23,621,027. Including outstanding encumbrances, 10% of the budget remains, which is a typical amount at this point in the year.
- Along with the normal monthly payroll and warrants, other expenses included bond principal and interest payments totaling \$985,750
- The tax certiorari line is negative based on payments made from existing settlements. We will plan to have a budget amendment on a future agenda to fund this account code from the tax certiorari reserve to correct this negative amount.
