# 2024-25 Budget Development

Superintendent's Proposed Budget  
April 9, 2024

# Vision for Tomorrow

Our vision is to be an ever stronger district:

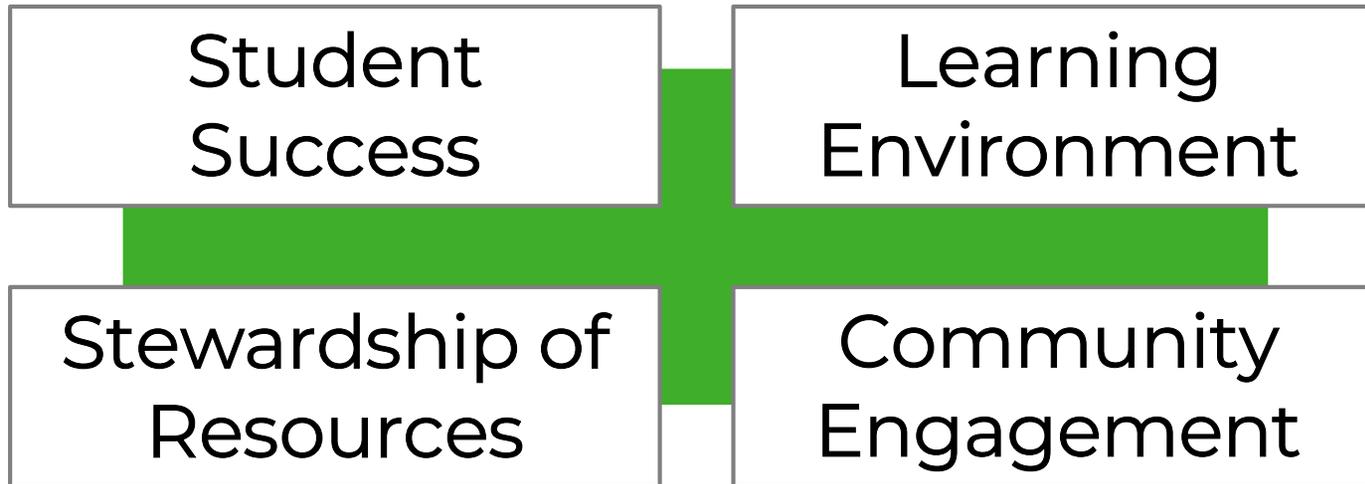

- supporting each student's academic and social emotional growth with continually improving programs
- in safe, well-maintained, flexible learning facilities
- in which our staff is supported with consistent, high-quality professional development and fair contracts
- and our fiscal health is sustainable because
  - budgets meet the tax cap guidelines
  - occasional tax neutral capital bonds are approved
  - and IUFSD is able to withstand occasional challenges
    - by controlling expenses
    - maintaining strong reserves

All while being mindful of the tax rate

# Aligning the Strategic Plan & Budget

Guiding our work are our Strategic Objectives:

Our Strategic Objectives underpin all budgetary recommendations .

As the District plans for the future, our fiscal initiatives will align with our Strategic Objectives. Even when faced with fiscal challenges, we will continue to focus on the District's priorities.

# Budget Process

December	Identification of needs
January-February	Analysis; State budget data released

## Responsibility of the Board

- **The Board must:**
  - Determine budgetary ceiling - responsible growth
  - Determine if we should change fund balance appropriation level
  - Maintain a sustainable financial future
- **Critical discussions:**
  - Each of the upcoming meetings are important
  - Board to provide Administration with budget direction

# Budgetary Adjustments

As of today, we are still waiting for New York State to finalize the State Budget. The revenue figures in this presentation presume the foundation aid is as the Governor proposed, which reflects the cut in hold harmless aid.

Will we or will we not have foundation aid cut by \$120,480?

During our discussion on March 19, the District proposed putting additional foundation aid, if restored, toward facilities projects. This will enable flexibility if state aid is cut in future years because these projects are non-recurring, one time expenses.

.

# Tax Rate & Your Taxes

Formula to calculate your estimated taxes

$$\begin{array}{r} \text{Assessed value of your property/1000} \\ \times \\ 19.91 \\ = \\ \text{Taxes} \end{array}$$

Please keep in mind that the \$19.91\* tax rate per thousand is estimated based on the current assessment roll as of March 2024 and expected changes from additional exemptions and SCARS granted until the roll is finalized in August 2024.

\* Based on most current Assessed Valuation

# Contingent Budget

- If there was to be a majority “no” vote on May 21st and a subsequent “no” vote (if the Board chose to have a second vote in June), a Contingent Budget would result.
- A Contingent Budget requires the District to levy no more than the previous year’s levy. This would require cuts of approximately \$2.3 million and result in a budget increase of only \$715,667 from the 2023-24 budget.
- A Contingent Budget would result in no new equipment, no community use of buildings and no capital improvements (unless emergency). Other necessary cuts would affect staffing, curriculum/professional development, technology purchases and student programs.
- The District does not have sufficient fund balance to offset these cuts. Even a partial offset could result in a position of “significant fiscal stress” by the Office of State Comptroller.
