### ***NEW STUDENT REGISTRATION***

Welcome to the Irvington Union Free School District. The mission of the Irvington School District is to create a challenging and supportive learning environment in which each student attains his or her highest potential for academic achievement, critical thinking and lifelong learning. Our schools encourage the discovery and development of students' individual strengths, skills and talents, and foster social and civic responsibility.

To complete the enrollment process, safeguard the health of your child/children, to place your child/children in the most appropriate program, and to conform to New York State law and District Policy, we need certain information and records. Documentation of age, proof of residency and the District's registration packet must be completed and submitted in person by a guardian to the District Registrar.

The registration packet may be obtained in Registration Department tab at [IrvingtonSchools.org](http://IrvingtonSchools.org) or from the District Registrar, 6 Dows Lane, Irvington New York 10533. These documents must be submitted at the time of registration or within two days of enrollment in order for the District to make a timely determination as to the student's entitlement to attend District schools. (Except for Kindergarten Pre-Registration)

Dear Parents/Guardians:

2020-2021 School Year

Welcome to the Irvington School District. As school nurses we understand how important good health is to academic performance. We look forward to partnering with you to keep your child as healthy as possible. With that common goal in mind, the requirements for school outlined below are in place to support your child's health and well-being.

New York State Education Law requires a physical examination of all students **new** to the Irvington School District and **all** students in grades K, 1, 3, 5, 7, 9, and 11. All physical exams **must** be performed **within 12 months from the start of the school year** (i.e. Physicals dated on or after September 7, 2019 will be accepted.) The **NYS physical exam form** and documentation of required immunizations must be completed, signed and stamped by your **physician, physician assistant or nurse practitioner authorized to practice in New York State or within a state that has standards of licensure and practice comparable to those of New York State**. A dental certificate is *requested* for students new to the district and only in the following grades: Kindergarten, 1, 3, 5, 7, 9, and 11. **The physical examination form must be handed in within 30 days of entrance into school or required Grade.**

New York Public Health Law 2164 requires **all** students to be **fully immunized** against **Polio, Diphtheria, Tetanus, Pertussis, Measles, Mumps, Rubella (MMR), Hepatitis B and Varicella (Chicken Pox)** or a physician's documented record of disease or positive titer (blood test). Students **entering 6th-12th grade** and who are 11 years of age or older are **required to receive a Tdap** vaccine (Tetanus, Diphtheria and acellular Pertussis). **Meningococcal** (Meningitis) vaccine is **required for Grades 7, 8, 9, 10, 11 and 12 for the 2020-2021 school year**. These immunizations are required for school entrance and attendance. **The immunization record must be submitted within 14 days of attendance. Exclusion from school will result if the above requirements are not met.**

We appreciate your compliance with these regulations. If you have any concerns or questions regarding your child's health, please contact us during school hours.

Sincerely,

Irvington School Nurses

## Dental Health Certificate

Parent/Guardian: New York State law (Chapter 281) permits schools to request an oral health assessment in the following grades: K, 1, 3,5,7,9 &11. Please complete Section 1 and take the form to your registered dentist or registered dental hygienist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist/dental hygienist to fill out Section 2.
