Select Irvington school

Library card # is first initial last name – all lower case

For students it is their first initial last name and year of graduation – all lower case

Getting started on right – explains how to download to the different eDevices

To download to Kindle you need to have an Amazon account

If you do not have WiFi you have to have Adobe® Digital Editions on your computer to download eBooks

To download audiobooks you need Overdrive Media Console

Chosen books are put in cart

Books will remain in cart for 15 minutes

Books remained checked out for 2 or 3 weeks then are deleted

You can check book out when it is available again

Classics do not have a time limit or a limit of the amount of copies
