

WELCOME to MARIA REGINA HIGH SCHOOL'S DRIVER EDUCATION PROGRAM Summer 2025

Divine Evangelista-Miller, Director of Driver's Ed

Divine attended Ensign College, Brigham Young University and New Jersey City University. Driving Instructor since 2009. She has been teaching in-class driver's ed since 2018.

A message from Divine:

"All my life has been about safe driving. My father owned a driving school for many years. Driver safety has always been a priority. I love teaching driver's ed programs and making the classes fun, but also very informative. In doing so, most students retain the knowledge they learn from class. They are able to use the knowledge and skills they learn in the classroom and ultimately use those learned skills to build good habits for driving. I Look forward to being part of Maria Regina High School's driver ed program."

Mark Goldstein, Senior Driving Instructor

Mark served in the United States Marine Corp and the experience molded him to be hardworking, dedicated and determined to give back to the community. After his service, he decided to help the community by helping new drivers learn to drive safely. He has 29 years of experience working as a driving instructor with Gotham Driving School which he now owns.

A message from Mark: *"I am passionate and positive when it comes to driving instruction. I will provide a safe environment that will ease tension and anxiety. I treat everyone with respect and give them an individualized experience when we are together. Our goal will be to practice, not to get it right, but to practice until you can't get it wrong! I look forward to joining the Maria Regina family and work with you!"*

FAQ:

Do I have to attend the Parent Orientation?

Yes. The purpose of the orientation is to explain the program and how it works. Without an orientation it would be difficult to address and clarify everyone's questions. Also, driving lessons are expected to be scheduled at this time.

My child turns 16 after the first day of the course start date. Can I sign him/her up for that semester's course?

No. NYS Law states that ALL students must be 16 years old on day one and hold a valid NYS Learner's Permit. There are **NO EXCEPTIONS**.

Can Student's complete the program remotely or all-online?

No. The NYS Department of Education changed the guidelines back to the Pre-COVID guidelines where all students must participate in the lecture and behind the wheel portions of the course in person.

Is the 5-Hour Certificate (MV-278) included in the Driver Ed tuition? Yes, The 5-Hour Pre-Licensing Certificate will be provided to any students who request one so they can schedule their road test before they receive the (MV-285) Driver's Ed Certificate. The original MV-278 **MUST** be brought to their road test.

When can students receive the MV-285 certificates?

The MV-285 certificates will be given out after the semester has ended and Students have completed all requirements. They will be available for pick-up in the Maria Regina Administration Office.

I will be taking my road test after the completion of Driver Ed. Do I still need to get a 5-hour certificate?

No. The Course Completion Certificate (MV-285) supersedes the 5-hour certificate; however, you can't make your appointment until after you get the certificate. The original MV-285 **MUST** be brought to their road test.

If I cannot attend the lecture I normally go to but I can't make it, can I go to the lecture another day?

Yes, Lectures are more flexible in the Fall and Spring session since the same lecture is given at least 7 times per week. You **DO NOT** need to notify anyone about what lecture you will be or won't be attending.

What if I can't make it to any of the lectures during the week?

You **MUST** make up any missed lectures before you can receive your completion certificate. There will be opportunities to make-up up to 4 missed lectures before semester ends.

FAQ:

I signed up to drive on a specific day/time but I can't make it. Can I attend another driving day/time without scheduling it?

Yes. However, since the driving time you picked at the registration is your secured slot for the entire semester, you must contact your Driving Instructor for availability and it is not guaranteed

If I miss a driving day, do I need to reschedule the driving right away? Yes. However, you have to call your Driving Instructor and reschedule for a future time and it is not guaranteed.

I want to be in the same car as my friend. Can I switch into their car? We will do our best to accommodate the students to be with their friends, however ALL switches MUST be mutually agreed upon by the students on week-1 and MUST be approved by your Driving Instructor.

If I have a question, can I call Mrs. Miller? It's preferable that all inquiries are via email.

We typically have over 200 students enrolled in the program which makes it difficult to manage following up on all phone calls. If a phone conversation is necessary, of course we can talk.

email: mrhsdrivered@mariairegina.org

Please DO NOT CALL Maria Regina H.S. for inquiries about the program.

Will Driver Ed be cancelled if it snows?

Yes. If schools are cancelled and/or if the roads pose a hazard, we will cancel the driving and/or lecture.

Does Driver Ed close during the Holiday breaks?

Yes. We model the lecture/driving days and times around the school calendar. We try to accommodate both public and private school calendars.

Note: There are no class lectures on Federal Holidays. However, there might be driving - we will announce that on a weekly basis.

When can I register for the next semester?

An announcement will be posted on the high school website when the online registration form is available.

How will I know of any changes to the Driver Ed calendar?

Announcements will be made at the lectures, announcements will be sent via email and posted to the Maria Regina Driver's Ed Website.
