

Dear Dows Lane Families,

We hope you are all managing during this difficult time. All of us at Dows Lane are thinking about you and your children and wishing we were back in school.

Our teachers and Related Service Providers have been working hard to create new learning experiences for students to complete at home that will begin on Wednesday, March 25th. Below are details about our plan:

- Classroom teachers will communicate daily assignments by 8:00am via an email or Google Classroom
 - Directions will be clear and explicit
 - Teachers will support learning during the school day and will track student process
- Special Area teachers will post weekly activities on the [Dows Lane Website - Special Areas](#)
 - Special Area teachers will also include a Google Form link as an exit ticket
- Special Education teachers and Related Service Providers will communicate with students/families who receive services as per each student's plan
- Instructional Coaches are consulting with teachers to help develop At-home learning assignments
- Nurse Fleming, our Psychologists, Social Worker, and School Counselor are all available via email to help support the well-being of students
- Students are expected to participate and engage in the daily work assignments
 - If a student does not participate, classroom teachers will contact families to check in and offer suggestions and assistance
- Please start your day with this video: [Dows Lane Pledge of Allegiance with Dr. Kantor](#)

If you are looking for additional activities for today and tomorrow, please visit our [Dows Lane Library Resources](#).

If your child is struggling with At-Home learning or needs additional support, please reach out to your child's teacher, Related Service Provider, or us. We know that the school closure is stressful for all involved, and we remain focused on the health and well-being of our students and staff. We are still here to support your child, in any way we can, and we appreciate your partnership in this unusual time.

Stay healthy,
Andrea & Linda
