## *An Important Announcement from the Superintendent of Schools*

---

April 11, 2019

Dear Irvington School Community Members,

Over the past six years, the Irvington High School community has been fortunate to have Principal David Cohen guiding our excellent school. His partnership with faculty, staff, students and parents has continued to enhance the entire high school program and experience. During this time, Mr. Cohen's leadership has had a significant impact on the education and lives of many students in our community.

Mr. Cohen has informed me that he has been selected to lead another high school on Long Island, effective July 1. Obviously, we are very disappointed that Mr. Cohen will be moving on, but we thank him for his dedication to Irvington High School, its students and our school community.

The District will take the necessary next steps in the coming days to initiate the process to identify the next IHS Principal. I am confident that we will be successful in our search to identify a leader who brings the skills, talent and compassion that is essential to partner with our faculty and school community to continue the legacy of excellence that is evident at IHS. The faculty and staff, along with Mr. Matt Samuelson, our Assistant Principal, are prepared to ensure a smooth transition for our students as we enter the 2019-20 school year.

Please join me in wishing Mr. Cohen the best of luck in his future endeavors.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kristopher Harrison'.
