

A Message for the Community from the IUFSD Phone System

February 13, 2020 - 9:35 am

Dear School Community Members,

Please be advised that the Irvington School District is currently experiencing phone trouble and is unable to receive calls made from outside lines. However, we are able to use our internal phones, can reach classrooms internally and make outgoing phone calls.

We are working to fix this issue as soon as possible. Please use email to reach school personnel, including the administration, nurse and main offices. If you need an email address, please contact Doreen.Morandi@irvingtonschoools.org and she will assist you.

We thank you for your patience and understanding while this is being addressed.

Sincerely,

Carol Stein
