

New Educational Leaders Appointed

April 21, 2020

Dear Irvington School Community,

I am pleased to be writing to share some exciting news with you. This morning, the Board of Education held a special meeting to appoint two new members of the Irvington administrative team.

Liza Greenspan was appointed to serve as the Dows Lane Assistant Principal. She is an experienced leader and teacher who has worked for many years in New York City. During her career she has served as an Assistant Principal, Instructional Coach, Special Education Teacher and Elementary Teacher. Her vast experience and enthusiastic approach to teaching and learning will be a great asset to the Dows Lane community.

John Buonamano was appointed to serve as the Director of PE, Health and Athletics. He will be joining us from another district in Westchester where he held the same title. Prior to serving as Director, he was a Coach and a Physical Education Teacher. Additionally, John was an accomplished Division 1 collegiate athlete. His knowledge and experience will make him an effective partner within our district.

Both Liza and John are impressive, skilled educators who are extremely personable and have the reputations of being very collaborative leaders. They will assume their respective positions effective July 1st. Please join me in welcoming them to the IUFSD family!

I also want to extend my sincere appreciation and thanks to our current interim leaders, Linda Langiulli and Stew Hanson, for their incredible work and partnership throughout this year. We have been very fortunate to have had them supporting our students and professional staff this year and we look forward to our continued collaboration with them through June.

Sincerely,

Kris

Dr. Kris Harrison
