

Your Feedback is Needed and Appreciated!

December 11, 2020

Dear Parents and Guardians,

As we opened schools in September, we had to adapt to the many challenges associated with the COVID-19 pandemic. This resulted in widespread changes to how teaching and learning would occur and introduced a comprehensive shift in health and safety protocols. Throughout our planning process, the District was thankful for the feedback that was received through surveys, at public meetings and via email. There is no question that the thoughts of our staff and parent community helped to inform our planning, helped to keep members of the school community healthy and enriched the Reopening Plan that was implemented.

Now that a few months of the school year have passed, we would appreciate additional feedback on our students' experiences. Please take a few minutes to **complete the following surveys by 4:00 pm, Wednesday, December 16th:**

[December 2020 Community Survey for Elementary Parents](#)
[December 2020 Community Survey for Secondary Parents](#)

Thank you very much for your continued support.

My very best,

Kris
