

Irvington UFSD to Host Vaccination Clinic

Saturday, January 22, 2022
9:00 am to 12:00 pm
Dows Lane Elementary School

January 19, 2022

Dear Irvington School Community,

The Irvington UFSD is excited to again partner with ahma Rx, a locally-owned, community-based specialty pharmacy, for an onsite vaccination clinic at the Dow's Lane Elementary School this Saturday, January 22, 2022 from 9:00 am to 12:00 pm.

Ahma will be providing Pfizer booster shots of the COVID-19 vaccination for anyone 12+ (who received their second dose at least 5 months ago), as well as first and second doses of the Pfizer vaccine for children aged 5-11. As the Pfizer vaccine is a two-dose treatment, anyone receiving a first dose should be prepared to come back to Dow's Lane in three weeks, February 12, 2022, and the pharmacy will be back on site to provide the second dose as well. **Please note:** those attending the vaccination clinic Saturday should enter through the Dows Lane main school entrance.

For those interested, we ask that you sign up each individual for individual appointments here: [ahma Rx-UFSD COVID Vaccination Registration](#).

On the day of the vaccination you'll also be asked to complete a Health Screening Form, which can be downloaded here:

[Vaccination Health Screening Form - Ages 5-11](#)
[Vaccination Health Screening Form - Ages 12+](#)

Questions about the vaccination can be directed to Elmsford@ahmarx.com or you can call or text the pharmacy at 914-840-5027.

For any adults who are interested in receiving a booster shot, the pharmacy also has appointments available which can be made online, [by clicking here](#).

My best regards,

Kris

Dr. Kristopher Harrison
Superintendent of Schools
