Parent Feedback Sessions - IHS Principal Search

April 7, 2022

Dear Irvington High School Parents and Guardians,

As was stated in yesterday's email, the District will be hosting two parent feedback sessions - Monday, April 18th from 7:00 to 8:00 pm and Wednesday, April 20th from 1:30 to 2:30 pm - to help inform the search for the next IHS principal. If you would like to attend either of the feedback sessions, please [RSVP by Thursday, April 14th using the revised form that is linked here](#). When completing the form, please include your first and last name as well as your email address and the session that you would like to attend. Also, prior to the session that you will be attending, please review the following questions:

1. What are the characteristics or dispositions you believe the next IHS principal should possess?
2. What should be the top three priorities or areas of focus for the next IHS principal?
3. Given the chance, what is one change in the school that you would like to see under the direction of the new IHS principal?
4. What attributes/strengths of IHS, its culture and programs, should the next principal seek to honor or preserve?

A meeting link will be sent to you prior to the session that you will be attending. If you are unable to attend either session and would still like to provide feedback, a survey will be shared with you.

Your input is important to us and will help to guide this important process.
