Transportation Update

October 26, 2022

Dear Irvington School Community,

The Village of Irvington recently worked with Con Edison to ensure that the Sunnyside Road closure would not start until 8:00 am. Therefore, the Transportation Department will be able to partially restore the original routes for **morning buses only for Dows Lane and High School students only**. **This change will take place on Monday October 31st**. Please check the portal on Friday, October 28th to check your child's route. Some students will have a different bus route in the morning versus the afternoon so please pay particularly close attention to this. This change will alleviate some of the earlier route start times and longer bus rides due to the closure. We thank the parents who advocated for this change with the Village of Irvington.

Sincerely,

Carol Stein
