You Are Invited to Help Shape Our Future

December 23, 2022

Dear Parents and Guardians,

The District is excited to have begun its strategic planning process, but for it to be a success your feedback and participation is needed. Last week, I sent the community a letter requesting volunteers to participate in focus groups that will be facilitated on January 11th & 12th, 2023. However, I recognize that this is a very busy time of year, and some community members may not have had time to submit their name to participate. Therefore, the deadline to volunteer has been extended until Wednesday, January 4th.

Please know that your feedback will make a difference, as each year the strategic plan will inform District, school, and department goals, and will guide the introduction of new programs and student experiences. Join us for a focus group and help to enrich our planning!

If you are interested in participating in a focus group, [please complete the form linked here](#) by no later than **Wednesday, January 4th**. The District will send a follow-up communication to everyone who has volunteered to participate.

Many thanks and happy holidays,

Kris
