Important Strategic Planning Survey

February 13, 2023

Dear Irvington School Community,

As you may know, the District is currently involved in the process of developing the next strategic plan. A crucial component of this process is community engagement and feedback. After facilitating 22 focus groups which provided the opportunity for students, parents/guardians, staff members, and community members to provide feedback on their experiences, the next step in this process is the Strategic Planning Survey.

This survey will provide another opportunity for the community to help guide the District's future plans that will shape students' learning experiences over the next several years. Community input is critical to the success of the new strategic plan and if you have not already done so, we hope that you will share your feedback with the District by [completing this survey](#) by 5:00 pm, Saturday, February 18th. It should only take 5-10 minutes to complete and is available in both English and Spanish.

Every student, every day,

Kris
