Let Us Know What You Think -
Complete the School Quality Survey Today!

June 12, 2023

Dear School Community Members,

As you know, the IUFSD launched its Annual School Quality Survey on Sunday, June 4th. This morning you should have received a reminder email containing another link to the survey and if you have not already done so, we ask that you take 10 minutes to complete the survey and let us know what you think. The survey, which is available in English and Spanish, is compatible with any computer, tablet, or smartphone and all responses are strictly confidential. **The survey will close at 5:00 pm on Sunday, June 18th**

The survey asks for feedback on student and academic support, safety and behavior, school leadership, family engagement, and more. The results help us to better understand our strengths and the opportunities for improvement, so that we can work to meet every students' needs. Based on the school community's feedback to previous surveys, we have developed goals that sought to enhance student experiences, prioritized District initiatives, and planned capital projects and construction.

Thank you in advance for your participation, as your feedback will make a difference!

Sincerely,

Kris
