## Important Message for the Irvington School Community

January 27, 2019

Members of the Irvington UFSD Community,

At the Tuesday, January 22nd Board of Education meeting, the Board announced that it was reviewing what appeared to be discrepancies associated with the records of a particular employee, who we can identify today as Mr. Jesse Lubinsky, our Director of Technology and Innovation. Prior to the completion of that review, Mr. Lubinsky submitted his resignation late in the day on Thursday, January 24th. The Board of Education accepted the resignation at a special meeting on Friday, January 25th

Through his roles as both a former teacher and administrator, Mr. Lubinsky's enthusiasm for teaching and learning positively impacted a great number of students and families in the district. We fully recognize and appreciate the reactions of concern from staff, students and community members, and we are focused on addressing this unforeseen departure in a manner that will be in the best interests of our students.

Our review of this matter, which is being led by the Board of Education's legal counsel, has not concluded with Mr. Lubinsky's resignation. We ask for your patience and understanding as we complete this work, and we look forward to further communicating with our community in the coming weeks.

Sincerely,

Mr. Michael Hanna, President  
IUFSD Board of Education

Dr. Kristopher Harrison  
IUFSD Superintendent of Schools
