An Important Communication from the Superintendent - Code of Conduct & District Safety Plan

July 19, 2019

Dear Irvington School Community,

Each year, the District updates our District-wide Safety Plan and Code of Conduct. After doing so, we post the related documents for the community to view prior to the Board of Education's adoption of these documents, which is planned to occur at the August 27, 2019 Board meeting. School community members can view these documents by visiting the Announcement section of the District website or [by clicking here](#).

Should you have any questions or comments related to these documents, please feel free to email me.

Best regards,

Dr. Kris Harrison
Superintendent of Schools
