## A Follow-up Communication from the Irvington Board of Education

February 16, 2024

Dear Irvington School Community,

In a statement released last night, the Board of Education advised the community of Dr. Harrison's retirement from the District, effective August 8, 2024. The Board would once again like to thank Dr. Harrison for his nearly 12 years of tireless and dedicated service to our District.

Now turning to the future and the Board's plans for the upcoming school year, the Board is eager to embark upon the process of finding a permanent Superintendent to lead our District in the future. To that end, after carefully considering its options, the Board has engaged the firm of Hazard, Young & Attea ("HYA") to lead this comprehensive and thorough search process. HYA is the same search firm the Board utilized in 2011, which ultimately led to the Board's selection of Dr. Harrison as our Superintendent. The Board intends to immediately commence the search process so as to ensure that the very best candidate is retained to serve as Superintendent for the Irvington schools.

The Board of Education appreciates and understands the importance of community input and feedback in the search process. Please know that the process will be thoughtfully planned to include opportunities for meaningful input from all school community stakeholders.

Please stay tuned for details about the search process and opportunities to get involved, which the Board will release in the near future.

Sincerely,  
IUFSD Board of Education  
Brian Friedman, President  
Susan Brunenavs, 1st Vice President  
Beth Propper, 2nd Vice President  
David Graeber, Trustee  
Jayne Wissner, Trustee  
Andrea Flynn, Trustee  
Dympna Kenny, Trustee

Irvington Union Free School District | 40 North Broadway, Irvington, NY 10533
