An Important Message from the Superintendent - Administrative Staffing Announcement

March 19, 2025

Dear Irvington School Community,

Over the past four years, the Irvington School community has been extremely fortunate to have Dr. Gail Duffy's outstanding leadership as Assistant Superintendent for Instruction and Human Resources. Her collaborative approach with faculty, staff, students, and parents has yielded significant improvements, leaving a lasting positive impact on the education and lives of our students and staff. Additionally, Gail was one of the pioneers of the Portrait of A Graduate, and we owe her a tremendous amount of gratitude for positioning the District for future important work.

During her time in Irvington, Gail has earned the respect of parents, faculty, and students as she immersed herself in all areas of curriculum and instruction. We wish Dr. Duffy the very best as she embarks on this well deserved next chapter of her professional career.

The District will immediately initiate a comprehensive recruitment process to identify the next Assistant Superintendent. In doing so, we will seek an educational leader with the skills, knowledge and disposition to further our work around Portrait of a Graduate and to support our school community's commitment to educational excellence and serving the needs of every student. More specific details will be shared in the coming weeks related to the search process.

While Gail will continue to serve in this critical role through the remainder of the 2024-25 school year, please join me in thanking her for passionate leadership and commitment to the Irvington school community, and wishing her all the best as Haldane Central School District's new Superintendent!

Best,
Dr. Mara Ratesic
Superintendent of Schools
