## An Important Message from the Superintendent

---

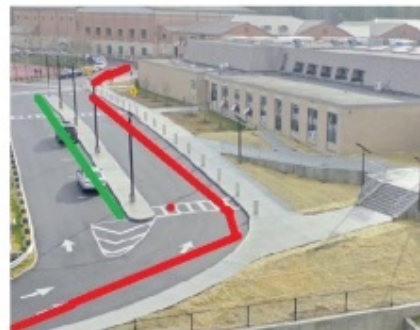

May 9, 2025

Dear Irvington School Community,

In an effort to try to relieve the traffic issues at the IMS/IHS Campus, effective Tuesday, May 13th the traffic will be rerouted as indicated in the information below:

## Morning Drop off

- Cars will not be allowed to drop off along Heritage Hill Rd. in front of the Middle School or Theater/Gym buildings. Guards will block you from turning there or stopping there. Drop offs here create a dangerous road condition for pedestrians and cars proceeding up or down the hill.
- All drops offs and pickup must be done on the island as shown in green. Traffic guards will direct cars to move to the furthest end of the island so we can maximize the number of cars being able to access this area. We may request you wait to enter to allow the maximum number of cars to enter. Similarly, we may request you wait to leave the island while we hold up traffic coming from the hill to allow the whole line to leave.
- If you have a drop off that will take more than a few seconds, or if you need to enter the school, please park in the gravel lot above the Theater/Gym employee parking lot (see picture on bottom right).
- During drop off, once all the buses have arrived and left, and as conditions allow, traffic will allow cars to drop off on the school side of the island (bus/fire lane). You may do this only when a traffic guard allows it. There must be no extended parking here, only a brief drop off.

## Afternoon Pickup

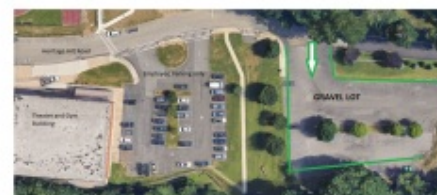

- There will no longer be pickups allowed along Heritage Hill Rd. for safety reasons as this creates a dangerous road condition for pedestrians and cars proceeding up or down the hill.
- Cars that arrive early, before 2:35pm HS or 3:25pm MS, must proceed to the gravel lot where you may park and wait for your student for pickup. Please park your car in a designated spot in the lot while waiting for your student to arrive.
- The island area is kept clear for quick pickups and will be kept moving along so there is no extended time parking in this area during 2:15pm - 3:40pm on regular school days.
- We suggest parents arrive for pickup after 2:35pm HS or 3:25pm MS so that the buses can load and leave and there will be space for your car in the island.
- Parking/extended stopping is never permitted in the fire/ bus lane by the school entrance as it is actively used by buses throughout the day and must be clear for emergency vehicles.
- Cars may not stop or park on the hill leading to the island, while waiting for pickup as this blocks the entry of buses. If the island is full causing you to have to stop on that hill, you will be directed to proceed to the gravel lot for pickup.

Heritage Hill Road, school curbside shown in red, is a **NO STOPPING, NO STANDING** ZONE, including **DROP OFFS/PICKUPS** or at any time during the day. Use the island or Gravel Lot.

## During the Day

- If you are picking up your student during the regular school day, you will need to park in the island or gravel lot and then proceed to the main entrance of the school. No cars may stop along Heritage Hill Rd. at any time. There are two spots reserved for 15 minute parking, one on each end of the island.
- There is visitor parking in the island area from 9am-1pm. Cars must be cleared by 1pm so we can prepare for afternoon pickups.

The Gravel Lot, shown in green above, is just past the employee parking lot above the Theater/Gym building
